

Reduced Inequalities

Before they invented the ramps on buses, cars and other transport not everyone could get around. Not everyone with a disability got to go to school. Not everyone with a disability got a job. We want things to be more fair in the world by changing how we do things.

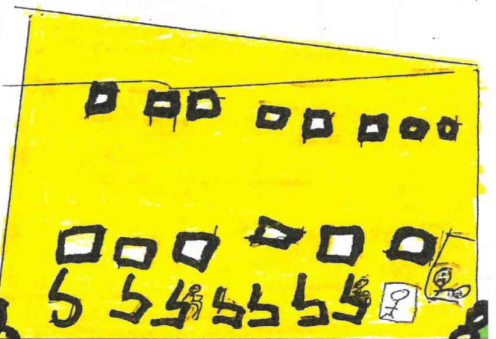

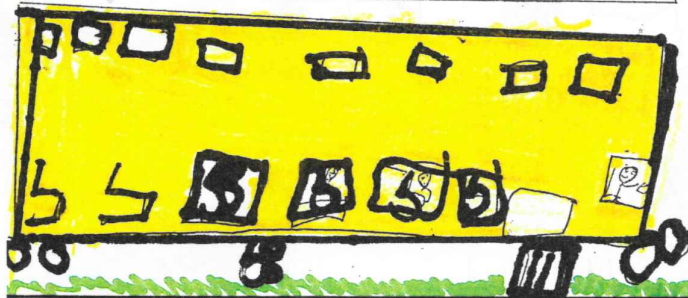

ramps on cars

now everyone is included

Buses before
not everyone is included
ramps

Buses After ramps

Sustainability Development Goal:

10 Reduced Inequalities. By Estelle Lavoie

March

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
